Your Daily Forecast begins on the next page. The Forecast is self-explanatory: an astrological forecast for each day is given.

You may notice that to the right of the date is a code, such as "Mer Tri Jup". This code indicates the astrological influence that is in effect on that day and is causing the astrological influence. You can ignore this code; it is printed in case you are interested in the astrological basis of the interpretation.

Most interpretations are short, about one paragraph. But occasionally an interpretation that is several paragraphs long may be printed. These longer interpretations are very strong and may affect you for several days before and after the date on which they occur.

In case you are interested in astrological theory, here is some more information on how your Daily Forecast is produced: First, all of the major astrological influences on a given day are determined, and then the most significant influence is selected and printed. For example, a conjunction will be printed if one occurs, and very often an outer transiting planet influence will be printed because these influences tend to be more powerful. By selecting the more dominant influences of the day, your Daily Forecast focuses on the most powerful influences of each day so that you pay attention to those issues which are most conspicuous and relevant to you each day.

We hope you enjoy your Daily Forecast. Remember that astrology is not fatalistic. Astrological influences are real and they are powerful (we are certain of this, although of course many skeptics disagree), but you have the free will to make the best of what life serves up to you each day. We hope that your Daily Forecast will assist you in making the best possible decisions and will help you feel more confident and clear about how to best deal with the circumstances and situations you encounter.

For the benefit of astrologers, some technical details are given below.

Thursday, 16 May 2024 Jup Qucnx Ura

Unusual ventures, harebrained schemes, unexpected and serendipitous events which create the need for considerable adjustment on your part are indicated now. Whatever agenda you had planned is apt to be spontaneously disregarded for what may well be a better alternative. However, you are prone to be more than a little reckless now, so be certain you are not jeopardizing those areas of your life which are your support structure and which in fact enable you to experiment and do some of the wilder things you want to do.

You may play the fool or the iconoclastic upstart in your environment, providing an opportunity for others to be more truthful, open, or creative. Be aware, however, that you could also be a scapegoat in that role.

Friday, 17 May 2024 Ven Sesqu Plu

Hidden passions, fears, jealousies, longings, desires, or needs surface in you now and can stir up trouble in your closest relationships. You are prone to be compulsive or demanding in a close relationship, to be emotionally driven and to force things to a head in some emotionally-laden situation. Positively, a relationship can be deepened and reborn now, given new life by your willingness to reveal yourself completely to your loved one.

Saturday, 18 May 2024 Ven SSqr MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

Sunday, 19 May 2024 Mars Oppos Asc

Your relationships have a very competitive, aggressive quality at this time, and conflicts over power and dominance may erupt. You won't compromise yourself to please anyone. Disputes in your marriage or other close partnerships are likely. On the other hand, you may begin a relationship now, boldly taking the initiative to pursue someone you want to be with. You will come on strong to this person, but he or she might just love it!

Monday, 20 May 2024 Mars Oppos Ven

You are powerfully attracted, emotionally and sexually, to someone you encounter at this time, and any romantic involvements you currently have are intensified. Expect fireworks! Also, your relationships can become tempestuous, especially if your partner is not as responsive or amorous as you would like.

Tuesday, 21 May 2024 Ven Sesqu Moon

The craving for sweetness and comfort in the form of loving affection or food is strong now. This is a good time to baby yourself and also to spend time with the people who love and appreciate you the most. Also, you are feeling rather tender and softhearted and may do something "maternal" on impulse (such as take home a stray kitten, offer to babysit, buy a gift for your family, etc.).

Wednesday, 22 May 2024 Merc Sxtil Jup

You are optimistic, hopeful, and forward-looking at this time. You can see connections and possibilities you may have overlooked before. Now is a time for communicating your enthusiasm, sharing your plans and dreams, and also being more receptive to others' thoughts and points of view. Contracts, negotiations, and business dealings of all kinds are favored now.

Thursday, 23 May 2024 Merc Oppos Merc

Exchanging information, ideas, and opinions plays an important role in your life now. A significant conversation with someone who has a very different attitude or perspective than your own is likely. Try to be receptive and learn as much as you can from others at this time. Also, mental curiosity or restlessness impels you to get out and about, perhaps take a short trip or visit.

Friday, 24 May 2024 Ven Sesqu Ven

What occurs now makes you more aware of what you need, feel, and want in your relationships. If you are unhappy in your personal life, this is brought out now, and you'll need to face what is causing your dissatisfaction. Differences in personal style, tastes, and ways of expressing affection may emerge. You also feel amorous and loving and, if your personal life is going well, this is a time to really enjoy and appreciate it.

Saturday, 25 May 2024 Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Sunday, 26 May 2024 Merc Qucnx Ven

Misunderstandings with a friend or someone you are usually in harmony with are likely to arise now, especially if you feel you are being taken for granted. You are more acutely aware of differences in style, taste, or values. You will want your personal preferences to be appreciated and taken into account.

Monday, 27 May 2024 Jup Sesqu Ven

Work and other responsibilities are particularly irksome to you at this time. You feel like it is "play time" and you want to get out, laugh, play, and sing. Parties and social gatherings also appeal to you now, and you enjoy meeting new people. You are in a festive mood, and your happy mood is contagious; others join in the fun with you. This is a wonderful time to have a party, engage in team sports, or vacation. Hard work and concentrated effort are difficult for you now, and productivity at work is likely to decrease, particularly if your line of work requires concentrated effort.

You have little control of your emotions at this time. You will spend more money than you should and eat more than you should. But you will enjoy it! Hopefully, you do not go overboard to the extent that you seriously regret your purchases and excesses afterward.

One thing that can rub you the wrong way right now is restrictions and responsibilities. If your spouse, family member, or close friend makes a lot of demands on you, then you will feel exceedingly uncomfortable and find it hard to understand why they just can't drop their concerns and have some fun.

Tuesday, 28 May 2024 Mars Oppos Sun

Intense competition or conflict is quite likely at this time. You feel you must fight or stand up for your rights in the face of some person or situation that opposes you. You may actually seek out a battle in order to test your own powers. Beware of acting so abruptly or aggressively that you bring harm to yourself or other people.

Wednesday, 29 May 2024 Sun Sqr Jup

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Thursday, 30 May 2024 Ven Oppos Nep

You are in a dreamy, romantic mood. Yearnings for love, feelings of compassion, or even religious devotion accompany this time period. You are definitely more idealistic, tolerant, and selfless in your relationships, which may cause you to act against your own interests. Decisions involving money or important commitments to others, therefore, should probably be made some other time. A desire for loveliness and beauty in your surroundings is also strong.

Friday, 31 May 2024 Ven Sqr Jup

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

Saturday, 1 June 2024 Sun Trine Moon

At this time you enjoy emotional satisfaction and harmony in your home life. Relationships with women run smoothly. If you have a solid emotional base in your life, you will receive the benefits of that. If not, this is a good time to begin making connections with people and also to discover what gives real emotional nourishment and fulfillment.

Sunday, 2 June 2024 Ven Trine Moon

You are in a mood to relax and enjoy harmonious surroundings. Your family and friends are a source of particular pleasure and satisfaction, and you may wish to treat them or pamper them in some way. Appreciation for your home and a desire to make it more beautiful or comfortable is strong now also.

Monday, 3 June 2024 Ven Sesqu Ura

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

Tuesday, 4 June 2024 Ven Trine Asc

At this time you are inclined to invest your time and money into making your environment more beautiful and comfortable. You may also wish to enhance your personal appearance in some way, such as getting a new hair style or purchasing clothing, cosmetics, and the like. Social gatherings are also very positive for you now.

Wednesday, 5 June 2024 Ven Trine Ven

Contentment, emotional well-being, and harmony prevail in your personal relationships. At this time you relax and indulge in your pleasure-loving side. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you.

Thursday, 6 June 2024 Mars Oppos Ura

You are very bold and adventurous right now and you cannot tolerate delays, restrictions, or any form of authority that prevents you from behaving exactly as you please. Your drive for personal freedom and insistence on your rights is pressing, and a confrontation in which you have to stand up for yourself is likely. Rashness, sudden acts of anger or violence, and a tendency to try to do too much too fast are tendencies you need to carefully monitor at this time.

Friday, 7 June 2024 Merc Oppos Nep

This is one of the least favorable times to make a decision or sign a contract, as your communication with others is likely to be fraught with misunderstanding or even outright deception. Your thinking is rather fuzzy now and you are more gullible or swayed by feelings, images, and ideals rather than seeing situations and people as they are. Your imagination is very active at this time.

Saturday, 8 June 2024 Ven SSxt Sat

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

Sunday, 9 June 2024 Merc Trine Moon

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

Monday, 10 June 2024 Ven Trine Sun

Relaxation, enjoyment, and pleasure are emphasized now. This is not a time to push yourself or to be involved in activities that require intense competition or a great expenditure of energy. Cooperative, harmonious personal and professional relationships are more important to you at this time. You feel like socializing and being friendly.

Tuesday, 11 June 2024 Merc Trine Ven

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card, write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

Wednesday, 12 June 2024 Merc SSxt Sat

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and

precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Thursday, 13 June 2024 Merc Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Friday, 14 June 2024 Ven Sesqu Merc

Your thoughts turn to love and this is a favorable time to bring out any concerns you have in your personal relationships. Agreements and cooperation can be achieved easily now. You readily discuss your personal needs and desires. Also, you are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Saturday, 15 June 2024 Ven Trine Ura

Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine and, because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

Sunday, 16 June 2024 Merc Trine Ura

You experience sudden insights, make discoveries, come up with fresh solutions to old problems, and seek alternatives to the usual routine way of doing things. Your mental processes are speeded up and you move more quickly now. Try to make room for a lot of spontaneity and flexibility in your schedule at this time.

Monday, 17 June 2024 Moon Conj Ura

Restlessness, nervous haste, and rashness can be something of a problem, for you act on impulse and may be out of sync with your environment.

Tuesday, 18 June 2024 Sun Trine Ura

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little "crazy" without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

Wednesday, 19 June 2024 Mars Qucnx Plu

You are willfully resistant to any outside pressure, manipulation, or authority at this time. A fateful encounter with an adversary, one that can neither be avoided nor ignored, is indicated. You seesaw between taking forthright, direct action and using more covert, subtle methods. A desire to break down, destroy, or overthrow existing conditions is also a part of the picture. Be careful with sharp instruments or glass.

Thursday, 20 June 2024 Mars Qucnx Nep

You seesaw between decisive, forceful action and passive surrender. This ambivalence makes you much less effective than you would be at other times. Emotions and dreams are apt to be rather turbulent, filled with strange restlessness or discontent. Try not to demand too much of yourself at this time. You are prone to infection and, on an emotional level, to getting discouraged.

Friday, 21 June 2024 Merc Conj MC

At this time you are objective and can make some clear decisions about where you are headed or what the next step to achieve your important personal goals should be. Your judgment is sound at this time. You may have an important professional conference or a conversation about your career. This is an excellent time to seek out your superiors or those in a position to help you advance.

Saturday, 22 June 2024 Merc Trine Merc

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

Sunday, 23 June 2024 Mars Oppos Merc

You are inclined to jump to conclusions at this time and to rashly say and do things which you may regret later. You may suddenly decide to act on some idea or plan you have been considering, which can be good as long as you don't move so abruptly and quickly that you override other people's say in the matter. At this time, too, you are quite sharp and possibly sarcastic, which can create unnecessary hard feelings or opposition to your plans.

Monday, 24 June 2024 Ven Conj MC

Your personal charm and attractiveness has a positive effect on your career, reputation, or public image. People see you as a loving and lovable person and as someone who is aware of their needs and feelings, which can benefit you at this time. Others are willing to help and cooperate with your aims. Your interest in the arts or in promoting harmony and good will between people is brought out at this time.

Tuesday, 25 June 2024 Merc Sqr Ven

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Wednesday, 26 June 2024 Merc Conj Sat

You have a very realistic and no-nonsense attitude at this time and are rather critical, skeptical, or at the very least, cautious about new ideas. Deep, quiet study and solitary reflection is favored. You are more taciturn and uncommunicative than usual and don't feel very social. If you are with others, you are likely to turn the discussions into something heavy and serious. Frivolity holds no appeal for you now.

Thursday, 27 June 2024 Merc Sqr Mars

Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time.

You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary.

Friday, 28 June 2024 Jup Oppos Nep

Your imagination is very strong at this time, and you fantasize about a more perfect life. Perhaps more importantly, you believe that your fantasies can become reality, and you are inclined to gamble in an effort to easily achieve your dreams. You are also very gullible at this time, and there is a high probability that someone will try to take advantage of you, promising you a way to reach your ideals in a painless, easy way. Be wary of deception from others and of your own tendency to become an easy victim of this deception.

You are very idealistic at this time, and you tend to project your ideals on others. If you find yourself thinking and talking about another person in terms that sound exaggerated and fantastic, then you are probably deceiving yourself. You should not restrain your imagination; let it soar. The only caveat is to keep from projecting your imagination on others.

Your religious and spiritual proclivities are awakened at this time, and you can experience profound inner, spiritual experiences now. Also, you may find that the opportunity to vacation or travel a great distance comes to you now, providing you the opportunity to gain a fresh, more inspired perspective on life.

Saturday, 29 June 2024 Ven Sqr Asc

You are a peacemaker now since harmony in your environment seems more important than ever. Loving relationships, giving and receiving affection, and attracting people into your life who are good for you are very likely at this time.

Sunday, 30 June 2024 Sun Conj MC

Your career, reputation, and most important personal goals receive a boost now, primarily through your own initiative and willingness to assert yourself. You feel a surge of positive energy.

Superiors or people in authority will also notice you now and can help you immensely, enabling you to fulfill something you are striving for. Public recognition for your work or your unique personal contribution to the world is very possible.

Monday, 1 July 2024 Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Tuesday, 2 July 2024 Ven Conj Sat

Emotional self-control and feelings of distance and aloneness characterize this time. You are coolly objective about your friends and loved ones and their shortcomings as friends or lovers. You are probably being a bit too critical and hard on them right now. This is also a time for belt-tightening and being very cautious about investments and expenditures. Going on a diet is favored now.

Wednesday, 3 July 2024 Jup Sqr Jup

The astrological influence at work now is not very powerful, but it does incline you to feel a bit restless and dissatisfied with your present situation. You feel limited and restricted by your responsibilities and impatient to achieve your larger goals. Try not to do anything rash as success cannot be forced prematurely. A clarification of what goals are really important to you is possible at this time.

Thursday, 4 July 2024 Ven Sqr Sun

Your desire for pleasure, ease, and affection is brought to the fore and may interfere with work or complicated situations in which you need to be acting assertively and on your own behalf. Your mood and attitude is conciliatory, and your need for love and approval heightened. Social gatherings and personal relationships are favored.

Friday, 5 July 2024 Sun Sqr Asc

You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with.

Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

Saturday, 6 July 2024 Ven Sesqu Jup

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

Sunday, 7 July 2024 Sun Sqr Ven

Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

Monday, 8 July 2024 Mars Qucnx Sun

Accidents including burns or cuts are possible now, mostly through your own rashness, headstrong behavior, or over-heated foolishness. You are apt to feel aggravated but unable to pinpoint the cause or reach a clear-cut solution. Circumstances may prohibit the direct action you would like to take. Beware of venting your tension on children or subordinates.

Tuesday, 9 July 2024 Merc Sqr Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Wednesday, 10 July 2024 Sun Conj Sat

You are serious and disinclined to frivolous or inconsequential activity. It's a time best spent working alone, structuring and organizing your life in some way, and focusing on whatever tasks (however distasteful or tedious) that you really need to do. You feel like withdrawing from people and find social situations unfulfilling or wasteful. Your vitality and your spirits are somewhat dampened.

Thursday, 11 July 2024 Merc Sxtil Asc

This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

Friday, 12 July 2024 Merc Sxtil Ven

There is a friendly, cooperative, harmonious tone to the interactions you have now. It is a good time for social activities and for getting in touch with friends. You avoid heavy discussions and do not want to focus on dry, practical matters. Reading light fiction, going out to see a romantic comedy, or simply sharing a pleasant time with someone you like is more in tune with your feelings now.

Saturday, 13 July 2024 Sun Sqr Sun

You may feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest that this is not a good time to try to force your will and desires upon the world, as friction is the only likely result. Relations with men can be especially tense.

Sunday, 14 July 2024 Moon Conj Sun

Your vitality and personal impact on others is higher now and you're likely to draw attention to yourself without trying or to receive some special recognition. Relations with others flow smoothly.

Monday, 15 July 2024 Merc SSxt Sat

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Tuesday, 16 July 2024 Jup Trine Moon

Your mood is easygoing, agreeable, and tolerant at this time. In fact, you may feel downright lazy! Lounging around at home and relaxing or perhaps unwinding at the beach or lake appeals to you. If you are normally very high-strung, then take advantage of this time to recuperate, relax, and rejuvenate. If you normally tend to be lethargic, then try to maintain at least a modest activity level by going for walks or bicycling, for example, during this time period.

At the least, this will be a pleasant time for you. Harmonious, pleasant relationships and surroundings seem to just "fall in your lap". Otherwise, the astrological influence at work here does not promise to make this a particularly eventful time (unless, of course, other astrological influences augment this one).

Wednesday, 17 July 2024 Ven Sxtil Plu

Your feelings for friends and your emotional responses to life in general are deeper and more intense. The need to share, to give and receive love, and to be accepted and wanted is very strong. You have an opportunity now to see what keeps you from being really close to others - perhaps a forgotten hurt or hidden resentment - and to rid yourself of it by bringing it out in the open or simply releasing it.

Thursday, 18 July 2024 Ven Trine Nep

At this time you are more sensitive to beauty and also to the feelings and needs of others. It is easy for you to give generously of yourself, for you sympathize strongly with other people and spiritual values are more important than material ones at this time.

Friday, 19 July 2024 Mars Sesqu Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

Saturday, 20 July 2024 Ven Sqr Merc

Your thoughts turn to love and this is a favorable time to bring out any concerns you have in your personal relationships. Agreements and cooperation can be achieved easily now. You readily discuss your personal needs and desires. Also, you are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Sunday, 21 July 2024 Ven Sxtil Moon

This is an excellent time to have company or to give a party at your home. You are feeling hospitable and loving and need to share comfort and affection with close friends and family. Home improvements or beautifying your surroundings in some way is also favored now.

Monday, 22 July 2024 Merc SSqr Moon

Emotions, prejudices, or unresolved issues from the past come up in your interactions with others now, and you may not be very objective.

This is a good time to speak up and clear the air of any grievances you have been holding on to for some time.

Personal subjects are the topic of discussion now. Reminiscing, remembering, daydreaming about, and reflecting on the past is likely.

Tuesday, 23 July 2024 Ven Sxtil Asc

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

Wednesday, 24 July 2024 Ven Sxtil Ven

Opportunities for friendship, pleasant associations, and enjoyable social interactions occur now. Personal

relationships are harmonious and rewarding. Also, financial transactions go smoothly for you and material benefits are possible at this time.

Thursday, 25 July 2024 Merc SSqr Asc

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

Friday, 26 July 2024 Mars SSqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Saturday, 27 July 2024 Ven SSxt Sat

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

Sunday, 28 July 2024 Moon Oppos Merc

This is a good time to phone friends or family, write personal letters, or record any thoughts or feelings that you have. Emotions and personal biases are apt to cloud your objectivity, however, so you may wish to postpone activities that require strict logic and clarity.

Monday, 29 July 2024 Ven Sxtil Sun

Opportunities for friendship, cooperation, love, and shared happiness arise. The warmth and good will you generate now is likely to be a benefit to you both now and later on. You feel especially friendly and sociable.

New dimensions of reality, altered states of consciousness, and expanded awareness come to you unbidden during this period. You may thus feel quite confused and disoriented, as if there were no solid ground beneath your feet. Things you believed to be true may be seen as merely a facade. You may also wish to turn away from some of the experiences and awareness that you come to now, but there is really no turning back.

Psychic and mystical revelatory experiences will convince you in a direct fashion of the reality of the spiritual dimensions, but beware of becoming too engrossed or otherworldly. Your psychic balance is a bit off, and you need to be able to assimilate these experiences and ground them in your daily life.

Strictly avoid chemical mind-altering substances now, as these will make it nearly impossible to be clear and undistorted while receiving the higher vibrations or dimensions.

Restless and free-spirited, you feel like you have to loosen up and break free from restrictive situations at this time. You seek freedom and spontaneity and have little patience with dry, tedious situations. Normally, you may be able to tolerate a traffic jam, but not now. Fortunately, you do not tend to react with anger; you simply go off and do something that is more fun, even if that means missing appointments or being negligent in meeting responsibilities. You are in too good of a mood to be bogged down with obligations. This may not always be wise, but you do have a good time!

This is the time to be doing something new and unusual. You may get an impulse to experiment with something new, or a friend may invite you to do something you haven't done before. Go along; you will love it and you will be glad you went.

You feel rather youthful and reckless. You may enjoy playing pranks and engaging in other childish delights at this time. Needless to say, this may be embarrassing to friends and family! Tuesday, 14 Jan 2025 Merc Oppos MC

Your mind is directed inward now. Reflecting on your personal life, and the overall direction you are headed in, is very likely now. Thoughts of the past and the choices you made are also prominent. Making a decision regarding your home or your family life is favored at this time.

Wednesday, 15 Jan 2025 Ven Sesqu Ura

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

Thursday, 16 Jan 2025 Merc Sqr Moon

Emotions, prejudices, or unresolved issues from the past come up in your interactions with others now, and you may not be very objective.

This is a good time to speak up and clear the air of any grievances you have been holding on to for some time.

Personal subjects are the topic of discussion now. Reminiscing, remembering, daydreaming about, and reflecting on the past is likely.

Friday, 17 Jan 2025 Sun Sqr Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

Saturday, 18 Jan 2025 Merc Sqr Asc

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

Sunday, 19 Jan 2025 Merc Sqr Ven

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Monday, 20 Jan 2025 Moon Conj Moon

Your moods, feelings, and instincts rule you and you're apt to act out of emotion or habit rather than reason or conscious choice. You seek the known, comfortable, and familiar, and you're disinclined to confront new people or situations. It may be uncomfortable for you to be away from your home at this time.

Tuesday, 21 Jan 2025 Merc Oppos Sat

You are likely to distance yourself from others now, feeling the need to withdraw and reflect. Your thoughts are inclined to be heavy, critical, and pessimistic at this time, so it would be good to realize that you are only seeing part of the picture and perhaps seek the advice of an older, experienced person who has passed through some of the challenges you face. This can also be a time of leaving, separating from friends, and choosing a new way.

Wednesday, 22 Jan 2025 Merc Sqr Sun

There is much activity; you move rapidly from one thing to another and a hectic, somewhat stressful pace is likely. Many errands, phone calls, letters which require a response, and other "busywork" is on the agenda. A minor but rather tense confrontation is likely.

Thursday, 23 Jan 2025 Mars Sesqu Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

Friday, 24 Jan 2025 Ven Qucnx Sun

Right now, you will be tempted to do something for pleasure which you ordinarily wouldn't enjoy or even be interested in. Influences from a lover or friend pull you in a direction that is a bit off the beaten track for you. If you goof off or choose to indulge yourself, there will be some form of pay back later. Beware of indulgences that compromise your values or integrity.

Saturday, 25 Jan 2025 Mars Sesqu Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Sunday, 26 Jan 2025 Moon Sxtil Sun

Social relationships, friendships, and supportive alliances are strengthened now. Your energy and confidence are high and you can accomplish much in a harmonious, flowing manner right now.

Monday, 27 Jan 2025 Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Tuesday, 28 Jan 2025 Jup Trine Moon

Your mood is easygoing, agreeable, and tolerant at this time. In fact, you may feel downright lazy! Lounging around at home and relaxing or perhaps unwinding at the beach or lake appeals to you. If you are normally very high-strung, then take advantage of this time to recuperate, relax, and rejuvenate. If you normally tend to be lethargic, then try to maintain at least a modest activity level by going for walks or bicycling, for example, during this time period.

At the least, this will be a pleasant time for you. Harmonious, pleasant relationships and surroundings seem to just "fall in your lap". Otherwise, the astrological influence at work here does not promise to make this a particularly eventful time (unless, of course, other astrological influences augment this one).

Wednesday, 29 Jan 2025 Moon Sqr Merc

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members, however.

Thursday, 30 Jan 2025 Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

Friday, 31 Jan 2025 Sun Trine Moon

At this time you enjoy emotional satisfaction and harmony in your home life. Relationships with women run smoothly. If you have a solid emotional base in your life, you will receive the benefits of that. If not, this is a good time to begin making connections with people and also to discover what gives real emotional nourishment and fulfillment.

Saturday, 1 Feb 2025 Merc Trine Plu

There is great depth to your conversations. You find yourself revealing secrets or very private matters, and also asking very penetrating questions of others. Superficial answers don't satisfy you now. This is an excellent time to investigate a complex problem or mystery, look for something that has been lost or hidden, and also to learn more about your own inner depths.

Sunday, 2 Feb 2025 Merc Sxtil Nep

Your ability to concentrate on mundane concerns and problems diminishes now. The world of imagination, fantasy, entertainment, or art holds more attraction for you. Go to a movie with a friend (or write your own!). Also, your psychic sensitivity and intuition are heightened at this time. You are more impressionable and open, but somewhat less precise and clear mentally.

Monday, 3 Feb 2025 Merc Sqr Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Tuesday, 4 Feb 2025 Merc Trine Moon

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

Wednesday, 5 Feb 2025 Merc Trine Asc

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

Thursday, 6 Feb 2025 Merc Trine Ven

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card, write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

Friday, 7 Feb 2025 Sun Qucnx Sat

A disappointment or sobering realization forces you to re-evaluate your course, make adjustments, and draw upon more of your resources than you had planned to. Overwork, a feeling of pressure and unease, and the weight of responsibilities may precipitate a minor health crisis. Avoid exhausting your energies at this time; lie low and do only what is truly necessary.

Saturday, 8 Feb 2025 Mars Conj Sat

This is a time to rely only on yourself and your own resources, gather in your scattered forces, and concentrate on your own work. You may meet numerous obstructions and delays so that you don't accomplish as much or work as quickly as you would like. You can, however, do a very thorough job and also tackle the kind of difficult or disagreeable tasks you usually avoid. You are prone to feel frustrated and to resent the limitations or drudgery of this time period. Perseverance and patient effort are required of you now. Try to avoid becoming discouraged or lashing out at the ones you are responsible for.

Sunday, 9 Feb 2025 Merc Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Monday, 10 Feb 2025 Merc Sesqu Plu

It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

Tuesday, 11 Feb 2025 Merc Sesqu MC

This is a time for you to speak out about your thoughts or concerns regarding your work or professional matters. Communication with your superiors or with people in authority who are in a position to consider and act on your ideas comes to the fore now.

Wednesday, 12 Feb 2025 Sat Trine Sat

Your daily life is steady and stable, although not particularly exciting or unusual at this time. This is an excellent time to make steady, practical progress in your life. You can make great strides in paying off any debts that you may have and in gaining financial and material security. This is a good time for making long-term investments or gaining training that will provide you with practical, marketable skills. Patient, industrious, and responsible activity brings long-term, practical benefits at this time.

Thursday, 13 Feb 2025 Merc Trine Ura

You experience sudden insights, make discoveries, come up with fresh solutions to old problems, and seek alternatives to the usual routine way of doing things. Your mental processes are speeded up and you move more quickly now. Try to make room for a lot of spontaneity and flexibility in your schedule at this time.

Friday, 14 Feb 2025 Merc Sesqu Asc

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

Saturday, 15 Feb 2025 Merc Sesqu Ven

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Sunday, 16 Feb 2025 Ven Oppos Plu

An intense emotional or sexual attraction, a very revealing, intimate encounter, or a powerful desire to be close to and share your deepest feelings with someone is very likely now. Emotions and issues in a close relationship that have been brewing beneath the surface for quite awhile come to the surface at this time, possibly in a very disruptive way. All of your relationships intensify and you need to be aware of your tendency to act in a rather compulsive, demanding way towards others.

Monday, 17 Feb 2025 Ven Trine Nep

At this time you are more sensitive to beauty and also to the feelings and needs of others. It is easy for you to give generously of yourself, for you sympathize strongly with other people and spiritual values are more important than material ones at this time.

Tuesday, 18 Feb 2025 Ura SSqr MC

A feeling of impatience and a willingness to make bold, risky changes can cause you to suddenly alter the entire course of your life now. Periodically throughout this time period you get the urge to stir things up and inject fresh, new stimulation into your life. You may feel like it's time to change your job, move, meet new people, break up old relationships, etc. In fact, it is highly likely that you will do at least some of these things, and others may happen even if you do not try. For example, you may receive a new job offer, find a new home, or be laid off from your job. This is a time to draw new inspiration and fresh ideas into both your career and family life. It is, indeed, time for some changes. Opportunities for discovering more creative ways of approaching life come to you now. It is a good time to experiment. Go to the kinds of restaurants you do not normally go to, try a sport you have never played before, take a new approach to your work, or visit places and people that you've thought about going to before but have been putting off. This is a time to break your typical, everyday habits and get a taste of something new.

If you do decide to make a drastic change such as take a new job or break up a relationship, make sure that you have thought through the situation well as you can make decisions impulsively now and consequently regret them later. On the other hand, do not allow mediocre or stifling situations to persist; now is the time to revitalize your life. Do try to see if revitalizing a job or relationship is possible before abandoning it.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Wednesday, 19 Feb 2025 Merc Conj Jup

This is a time for making long-range plans, seeing the big picture, and thinking about what is really important to you in the long run. The trivial details and business of day-to-day living does not dominate your attention now. Reading books or articles of an inspirational nature or on subjects of personal growth and development is very fruitful now. This is also an excellent time for business functions, negotiations, and communicating with the world at large.

Thursday, 20 Feb 2025 Merc Trine Merc

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

Friday, 21 Feb 2025 Merc Qucnx Moon

Your sense of perspective and proportion is a bit skewed at the moment. Small problems loom large and details and other minor matters consume a lot of attention and focus. You are apt to be mentally restless, scattered, unable to concentrate on the immediate task at hand, absorbed in something related to the past. A somewhat disconcerting, but only too familiar, interaction with a parent, child, or other family member is likely. Be aware that you may be too stuck in your own point of view or self protectiveness to really hear what they are trying to convey.

Saturday, 22 Feb 2025 Merc Qucnx Asc

This is a time when short trips, excursions, errands, etc. are interfered with. You will have to adjust your plans or appointments to accommodate an inconvenience. You may also have to re-examine some matter you believed to have already been concluded and resolved. Negotiations are apt to be strained and awkward, although direct confrontation is unlikely.

Sunday, 23 Feb 2025 Merc Qucnx Ven

Misunderstandings with a friend or someone you are usually in harmony with are likely to arise now, especially if you feel you are being taken for granted. You are more acutely aware of differences in style, taste, or values. You will want your personal preferences to be appreciated and taken into account.

Monday, 24 Feb 2025 Sun Sesqu Sun

You may feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest that this is not a good time to try to force your will and desires upon the world, as friction is the only likely result. Relations with men can be especially tense.

Tuesday, 25 Feb 2025 Merc Trine Sat

The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

Wednesday, 26 Feb 2025 Sun Sqr Nep

Confusion, inability to focus on mundane tasks, poor understanding or miscommunication between yourself and others, and the desire to evade real responsibilities and challenges are negative potentials for you now. You are more sensitive, impressionable, dreamy, or idealistic at this time also.

Thursday, 27 Feb 2025 Sun Conj Jup

You feel expansive, enthusiastic, and optimistic now. You want to reach out, do more and experience more. You benefit greatly from the opportunities that present themselves at this time, and a person who will be very influential and helpful to you may come into your life.

Friday, 28 Feb 2025 Merc Sesqu Merc

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Saturday, 1 Mar 2025 Sun Trine Merc

If you are a writer, teacher or student or are involved in any intellectual work, this is a positive time for you: ideas flow and it is easier than usual to express your thoughts. Also, this is a good time for buying, selling, negotiating, and communications of all kinds.

Sunday, 2 Mar 2025 Merc Qucnx Ura

You tend to be tense, "wired", on edge, a bit nervous or jumpy, and you will need to take a little time to breathe deeply and settle yourself. The pace of the day may make this difficult, however. You are apt to be too quick to respond or respond inappropriately to questions, tests, quizzes, etc. If you consciously slow down, you will do a lot better.

Monday, 3 Mar 2025 Sat Qucnx Mars

Tension with competitors and frustrated or unexpressed anger which turns into resentment can create health problems for you at this time. Also, be very careful with knives and sharp tools, as accidents are also possible. Overall, you are apt to feel pressured and become bitter when your will and desires are blocked. Certainly your patience and stamina will be tested.

Try to be gentle with those innocents who may be in your environment. If you vent your bile upon them it will only make you feel worse! Working by yourself may well be your best option at present.

Tuesday, 4 Mar 2025 Sat Qucnx Sun

This time period is characterized by feelings of being restricted, blocked, or delayed, and great patience and endurance will be required of you. An increased concern about aging, the passage of time, and the limitations of your body make you more serious and more earnest about doing what is important and essential. You may have less energy or a health challenge at this time which forces you to choose what is really important to you. An older person, mentor, or parental authority figure may disappoint you or be particularly harsh and demanding. In your own role as parent or boss, you may well be seen as an ogre or tyrant (and for good reason)! In other ways, this is apt to be a dry spell for you, and a sense of meaninglessness or struggling oppresses you. This is a good time to reassess how you are living your life and begin to realize yourself and your true purpose and joy in life.

Wednesday, 5 Mar 2025 Ven Qucnx Merc

You may decide to change the decor of your home, or you may attend a musical or artistic event that exposes you to new styles that are different from your customary tastes. Communications with family and friends can be strained at this time, as you try to clear up points of confusion. This is a good time to get a new perspective on your relationships and your life style, but do not force yourself to make important decisions now while you are not completely comfortable with any of the alternatives.

Thursday, 6 Mar 2025 Jup Sesqu Ura

Restless and free-spirited, you feel like you have to loosen up and break free from restrictive situations at this time. You seek freedom and spontaneity and have little patience with dry, tedious situations. Normally, you may be able to tolerate a traffic jam, but not now. Fortunately, you do not tend to react with anger; you simply go off and do something that is more fun, even if that means missing appointments or being negligent in meeting responsibilities. You are in too good of a mood to be bogged down with obligations. This may not always be wise, but you do have a good time!

This is the time to be doing something new and unusual. You may get an impulse to experiment with something new, or a friend may invite you to do something you haven't done before. Go along; you will love it and you will be glad you went.

You feel rather youthful and reckless. You may enjoy playing pranks and engaging in other childish delights at this time. Needless to say, this may be embarrassing to friends and family! Nevertheless, acting out of character is a good thing to do now, and you will not regret doing it as long as you don't get so reckless that you hurt yourself or someone else.

You also feel unusually lucky and consequently do not hesitate to gamble or speculate. Actually, you are a little luckier than usual now but, like the proverbial gambler who does not know when to stop, you are likely to keep betting and lose a great deal in the end.

Friday, 7 Mar 2025 Moon Trine Sun

Positive feelings and inner harmony engender smooth and comfortable relations with others at this time. Your intuition or gut feelings are apt to be right on the mark.

Saturday, 8 Mar 2025 Moon Conj MC

At this time you are extremely subjective and your mood, emotionally-colored desires, and feelings rule you. Though not a good time for rational judgments or decisions, you can be especially perceptive and sensitive to those around you and you establish an emotional rapport with those in your environment much more quickly.

Sunday, 9 Mar 2025 Sun Trine Sat

Today it is easy for you to concentrate on your work, to eliminate what is superfluous or distracting you from what you really need to do. You have the self-control and discipline to apply yourself to tasks that you may have been avoiding. You want to put your affairs in order and have a greater tolerance for tedium than usual. This is a good time to tackle mundane chores and practical business.

Monday, 10 Mar 2025 Merc Oppos Plu

This can be a time for exposing and talking about hidden, intensely private, secret, or taboo subjects. Your mind is very probing and your conversations and interactions with others are intense. Pat answers and

superficialities don't suffice now. You can be too intrusive or overbearing when stating your point of view.

Tuesday, 11 Mar 2025 Merc Sqr MC

This is a time for you to speak out about your thoughts or concerns regarding your work or professional matters. Communication with your superiors or with people in authority who are in a position to consider and act on your ideas comes to the fore now.

Wednesday, 12 Mar 2025 Ven SSxt Jup

Both friendship and material benefits may well come to you at this time. You feel very sociable and gregarious and seek conviviality, especially with people who really know how to have a good time. Charitable and philanthropic impulses are stronger now, also, and should be followed with positive action on your part.

Thursday, 13 Mar 2025 Mars Conj Sat

All of your relationships intensify and you need to be aware of your tendency to act in a rather compulsive, demanding way towards others.

Sunday, 16 Mar 2025 Sun Sesqu Merc

A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue.

Monday, 17 Mar 2025 Moon Conj Ura

Restlessness, nervous haste, and rashness can be something of a problem, for you act on impulse and may be out of sync with your environment.

Tuesday, 18 Mar 2025 Jup Trine Asc

This is a good time for you. Your ability to express yourself confidently and openly wins you the respect and admiration of others. You can promote ideas and plans that you believe strongly in and, surprisingly, others do not resist you now. They quietly accept your proposals and ideas, and even provide some support. This is an excellent time to influence a government agency or organization, to start a business, or make a career change. Legal matters of any kind work out fortunately now.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Wednesday, 19 Mar 2025 Merc Sqr MC

You are compassionate, sympathetic, and highly emotional now. Also, your imagination is activated and you may be inspired by some unusual daydream or fleeting thought.

Friday, 21 Mar 2025 Merc Oppos Plu

This can be a time for exposing and talking about hidden, intensely private, secret, or taboo subjects. Your mind is very probing and your conversations and interactions with others are intense. Saturday, 22 Mar 2025 Moon Sxtil Ura

You're dissatisfied with the "same old tune" you've been playing or listening to from others, and now you're apt to do something different. You're drawn to the unfamiliar.

Sunday, 23 Mar 2025 Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

Monday, 24 Mar 2025 Moon Oppos Sat

This is a good time for solitude, quiet, or contemplative activities and rest. Your spirits may be temporarily depressed, so take some time for yourself. Others may criticize you or show little emotional warmth at this time.

Tuesday, 25 Mar 2025 Moon Sqr Merc

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members,

however.

Wednesday, 26 Mar 2025 Moon Trine Sun

Positive feelings and inner harmony engender smooth and comfortable relations with others at this time. Your intuition or gut feelings are apt to be right on the mark.

Thursday, 27 Mar 2025 Jup Trine Ven

This is a very pleasant time for you. You have a need to escape the hustle and bustle of daily life, relax, and collect yourself. Taking a stroll through the woods or visiting a beautiful lake, mountain retreat, or beach appeals to you now. You also enjoy casual activities like strolling through art galleries and markets, buying some art work, or visiting friends.

You are very relaxed, not very aggressive or ambitious and perhaps downright lazy now. If you find yourself struggling at work to maintain your concentration on tasks at hand, then you really should consider taking a few days of vacation time to do the kinds of things mentioned above.

Relationships with loved ones and friends are especially good now. You are able to share openly with others and experience mutual appreciation and respect. The love and good will you share with others may also lead to a pleasant gift or other unexpected benefit.

Beware of a tendency to be too lazy to take advantage of some of the enjoyable and beneficial occasions that are available at this time. It is good to relax and enjoy yourself, but becoming a "couch potato" may not be the best way of doing this!

Friday, 28 Mar 2025 Sun Oppos Plu

You directly confront something that has been hidden, forgotten, or ignored for a long time. Unresolved issues in personal relationships are stirred up and the underlying causes of a painful or problematic aspect of a relationship may be brought to light.

Personal power and control are issues for you now, and if you take too much power (i.e. are manipulative and tyrannical) or too little power (i.e. are overly passive and easily victimized), then you will become embroiled in power struggles with others.

Saturday, 29 Mar 2025 Sun Sqr MC

You are at cross purposes with the people in your environment who are most able to benefit you. You tend to come on too strong, to be oblivious to others' needs and intentions, or to act inappropriately now. You feel an urgency to take positive steps to achieve your goals, but be certain that you are not overstepping yourself, as this can cause considerable enmity at this time.

Sunday, 30 Mar 2025 Moon Oppos Sun

Positive feelings and high self-confidence make this a good time to go out, meet with people, or get some recognition and support for creative projects. Women in particular are especially helpful to you now.

Monday, 31 Mar 2025 Sun Qucnx Merc

Communications are delayed or interfered with now. Somehow, the message you intended and the one that was received or perceived are not quite the same. There is quite a bit of static on the line, metaphorically and

quite possibly literally as well. You also find that the way others talk or try to convey their ideas is grating and just goes against your grain. Try not to let their minor irritations get blown out of proportion. Most likely it is style rather than substantive disagreements which cause tension now.

Tuesday, 1 Apr 2025 Sun Oppos Moon

Your feelings, emotional needs, and desires for closeness and a sense of belonging come to the fore now. You give your home, personal relationships, and inner life more attention. Problems you may have been avoiding in these areas are brought into focus.

Wednesday, 2 Apr 2025 Moon Oppos Nep

Your perceptions of others are rather fuzzy now. You tend to see just what you want to see or to fantasize a bit too much about another person. Your empathy increases also and you feel "soft" at this time.

Thursday, 3 Apr 2025 Sun Oppos Asc

A significant personal encounter or confrontation occurs today. You cannot, and probably will not want to, be alone now. This is a time to reach out to people and to get others' input or counsel. Listen to your mate or a friend who can enlighten you at this time. Also, consulting a professional for health, business, or personal reasons will be very constructive and fruitful now.

Friday, 4 Apr 2025 Moon Conj MC

At this time you are extremely subjective and your mood, emotionally-colored desires, and feelings rule you. Though not a good time for rational judgments or decisions, you can be especially perceptive and sensitive to those around you and you establish an emotional rapport with those in your environment much more quickly.

Saturday, 5 Apr 2025 Sun Oppos Ven

You are feeling particularly affectionate now and the company of your love partner or very close friends is important to you. This is not a time for solitary activity. Making important and difficult decisions is a key issue of this time period. You question important issues in your life and try very hard to come to crystal clear, simple solutions to problems. You now feel that some viewpoint you have held for a long time needs to be examined; you think about it deeply, and attempt to clearly formulate new opinions. The issues of your concern can span a wide range of topics from politics, religion, personal choices and decisions to highly technical issues in an area in which you have expertise.

Unfortunately, others show little sympathy or interest in the issues that concern you, and you find that talking to others usually does not help. In fact, you discover that your point of view is different from the other person, and this can create a rift in relationships, making this an extremely trying and difficult time for you. Communications of all kinds are difficult for you now and are likely to meet with obstacles. You find it difficult to get others to understand you clearly, particularly if the topic is complex, involves intuitive understanding, and is non-technical. The only areas in which you have any hope of successful communication are in clearly defined, unambiguous areas.

In general, it is best to use this time for analysis, reading, and clarifying issues that are important to you personally. Avoid trying to reach out with your ideas, such as in public speaking, advertising, or promotions of any kind. Also avoid discussions on broad, complex topics like politics, religion, or philosophy. It is better for you to think, analyze, and absorb rather than speak. It is time to be a student rather than a teacher.

Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You are also attracted to the exotic, offbeat, unusual, or bizarre at this time. People or things which might offend your senses at other times now arouse your appreciation and interest. This will not be a boring time if you can help it! But it is apt to be a tense time if you are in a close, bonded relationship.

Friday, 2 May 2025 Ura Sesqu Moon

Impatience, sudden outbursts of emotions, and the need to break free from stifling, uncomfortable situations are key issues now. During this time period you periodically become overwhelmed with the feeling that you need to make changes and make them NOW. Most of the time you will be quite "normal" but, intermittently, strong feelings and changes of mood erupt that surprise even yourself. Your impatience and impulsiveness will disturb the usual routine of your life. Whether you later regret your impulsiveness depends on how you handle the energy and how many obstacles there are in your life. For example, if a friend, family member, or colleague is domineering or manipulative, then you will suddenly burst out against this person, perhaps lashing out with anger. Any feelings that you have kept a tight lid on will try to force their way out now. If you try to keep the lid on, you will experience intense stress and physical strain or perhaps digestive and stomach problems. Old habits and patterns that have served their purpose need to be discarded. Any habits that are restrictive and limiting are particularly vulnerable to being shattered now.

This is the time to throw out the old and bring in the new. If you have personal habits that you need to change but you have been procrastinating, then now is the time to make the change. You can stop smoking, improve your diet, develop a new self-confidence, drop inherited biases and prejudices, confront a person that you have been hesitant to communicate with openly, or make other needed changes. It is unlikely that you will be able to sustain new habits (such as a new diet) during this time period because you are emotionally unstable and in a phase of much inner change. However, this is the critical time when you can break the old habits and also explore new alternatives to replace the old habits. For example, you may wonder what to eat after you stop eating junk food, or how to relax if you stop smoking! After this time period is over, you may find that you can settle down into some new habits.

Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

A lack of caution and overenthusiasm are pitfalls for you at present.

Friday, 16 May 2025 Ven Qucnx Merc

You may decide to change the decor of your home, or you may attend a musical or artistic event that exposes you to new styles that are different from your customary tastes. Communications with family and friends can be strained at this time, as you try to clear up points of confusion. This is a good time to get a new perspective on your relationships and your life style, but do not force yourself to make important decisions now while you are not completely comfortable with any of the alternatives.
